This includes name changes* and removal of any services such as optional tours and transfers. *Please note that name changes to airline reservations are subject to full cancellation and rebooking. See Airline Name Changes section for specific information. Replacing a traveling passenger with another traveling passenger constitutes a cancellation, subject to cancellation penalties, and is not covered by this Reservation Changes policy. TRAVELERS WITH DISABILITIES:

In order to fully enjoy your Xtraordinary Destinations, LLC tours, we recommend that you select a trip that is suitable to your physical capabilities. Tour participants requiring any form of assistance, including travelers with physical disabilities, sight, hearing or mobility impairments, are required to notify Xtraordinary Destinations, LLC prior to reservation for review and our agreement. Additionally, the participant must be accompanied by an individual responsible for providing those services. Tour managers, guides, drivers or other tour, hotel, transfer or ship personnel are not able to provide such assistance. In order to participate in escorted tours, passengers must always be able to understand and follow instructions given by the Destination Host, both for the successful operation of the tour as well as for their personal safety. Xtraordinary Destinations, LLC reserves the right to reject participation or remove any individual from a tour in the event that notification was not provided and/or when, in our sole judgment, continued participation would significantly hinder the services to be provided to all guests. Expenses, including cancellation fees and/or costs for alternate travel plans or to return home, will necessarily be borne by the passenger. Escorted tours are fast pace, often requiring lengthy walks over uneven terrain. In the interests of group harmony, clients should be able to maintain the pace of the tour. Clients

with special needs may be better served independently. Xtraordinary Destinations, LLC can suggest touring options based upon specific requirements.

Wheelchairs & Walkers & U.s. Tours:

Pursuant to the Americans with Disabilities Act (the ADA), Xtraordinary Destinations, LLC seeks to accommodate disabled travelers to the extent possible and consistent with the specific tour itinerary. Nevertheless, you may find that certain tour features may not be accessible to the extent that you require a wheelchair, scooter, or other special equipment to participate. We cannot provide individual assistance to travelers with wheelchairs or other mobility devices. We regret that some itineraries cannot accommodate wheelchairs or motorized scooters. Passengers are required to advise Xtraordinary Destinations, LLC of their accessibility requirements prior to booking for Xtraordinary Destinations, LLC to determine if reasonable accommodations are available. Xtraordinary Destinations, LLC will endeavor to accommodate special access needs, but does not guarantee that it will be able to do so in all cases.

International Tours:

Hotels, transportation providers, sea and river cruises outside of the United States are not required to comply with ADA requirements and therefore may not have ramps, wide entryways or elevators/lifts to accommodate disabled passengers or devices such as wheelchairs, walkers and motorized scooters. Due to physical constraints and space limitations, wheelchairs, walkers and motorized scooters may not be taken aboard motor coaches, river cruises or other forms of transportation.

Service Animals:

Service animals cannot be accommodated on international escorted tours. Passengers on USA escorted tours who require a service dog because of a disability should check with Xtraordinary Destinations, LLC prior to booking a tour.

Airline Booking:

Xtraordinary Destinations, LLC offers a choice of airlines and airfares for your convenience but is not responsible for the services and policies imposed by the airline selected. Airline schedules and flights are subject to change without notice. Xtraordinary Destinations, LLC is not responsible for penalties incurred for tickets, international or domestic, not issued by Xtraordinary Destinations, LLC due to schedule and/or flight changes. Airline reservations completed online are subject to review and, should Xtraordinary Destinations, LLC deem it necessary, may be rebooked to match minimum connecting time

requirements and/or tour package itineraries, in which case you will be notified immediately.

Airline Contact Information:

Pursuant to TSA Secure Flight requirements, passengers are responsible to provide Xtraordinary Destinations, LLC with their name as it appears on their passport (or other government-issued I.D. when traveling), date of birth, gender, address, phone number, and email data for all passengers. Passengers must ensure that names are correctly listed on their invoice. Xtraordinary Destinations, LLC will not be responsible for passengers who do not receive an invoice or documents or are denied boarding due to inaccurate information.

Airline Name Changes:

Any name change including minor spelling corrections may require airline reservations to be canceled and rebooked. Reservations are subject to current availability and pricing at the time of rebooking. Once airline tickets are issued, subsequent name corrections will be subject to an airline rebooking fee which may be as much as the full value of the airline ticket plus a \$50 revision fee per change. Xtraordinary Destinations will not be held responsible for the denial of services by a carrier due to any name discrepancy. Name changes must be advised in writing at info@xtraordinarydestinations.com.

Airline Taxes & Surcharges:

If you purchased airfare, airline taxes and surcharges are included. Prior to completion of full payment there is a potential for a price increase(s) due to increases in government-levied taxes and fees and/or increased surcharges. To avoid potential increases, you may choose to accelerate your final payment in order that your tickets may be issued. Once issued, airline tickets are no longer subject to potential increases but are fully non-refundable. Certain overseas domestic flights are subject to air taxes which can only be paid locally; in these cases, the specific flights and amounts of those taxes are indicated in our package presentation and pre-departure documentation.

Airline Tickets:

Once full payment is received, Xtraordinary Destinations airline tickets will be issued and are fully non-refundable. Should airline tickets require to be issued earlier than the Final Payment Due date, you may be required to pay a larger non-refundable deposit and/or complete full payment. Once issued, some Published Instant Purchase Airfare tickets may be changed prior to the departure date and the airfare applied toward travel within 12 months of the original date of issue for a fee of \$200 or more plus any difference in airfare; however, some tickets are non-changeable; specific fees and policies may vary

by airline. Please note that some airlines do not accept all major credit cards for payment of Published Instant Purchase Airfare.

Airline Seat Assignments:

As a courtesy service, airline seat assignments are requested on your behalf and are displayed in order of Passenger #1, #2 and so on. Assignments reflect the best available seats at the time of booking. Some airlines and/or fare types do not allow for pre-seating and require this be done at airport check-in only; in this case, the display shows "N/A". Seats are subject to change by your airline(s) including, for example, when there is a schedule change or equipment change after your initial booking; this may cause seat assignments to be changed or even canceled. If you change seat assignments directly with your airline, changes will not be reflected on this display. At the time that Xtraordinary Destinations documents are issued, the currently assigned seats will be listed based on the assignments stored in your airline reservation at that time. Should you have questions regarding your assignments, please write to us at info@xtraordinarydestinations.com.

Airline Frequent Flier Programs:

Passengers are responsible to contact their airline directly regarding mileage eligibility and accrual. Airline frequent flier programs determine whether to award miles in part or total based on their own rules which are updated frequently. Some discounted or promotional airfares as well as some code-share flights are not eligible for mileage accrual. Not all published airfares are eligible for mileage. Xtraordinary Destinations will record frequent flier numbers when provided by the passenger prior to travel documents being issued. However, the addition of frequent flier numbers to airline records does not guarantee mileage eligibility which is at the sole discretion of each airline. Airline schedule changes may result in flights which were originally eligible for mileage accrual no longer being eligible. We highly recommend passengers to provide their frequent flier account information whenever checking in online and/or at the airport check-in desk. After travel has commenced, it is often not possible to apply for frequent mileage credit. Passengers are also responsible to determine whether previously earned mileage may be applied to flights to secure upgrades.

Airline Schedule Changes:

In the event of an airline schedule change, Xtraordinary Destinations will make every effort to inform passengers of the schedule change and new flight schedule prior to departure. Xtraordinary Destinations is not responsible for schedule changes including, when applicable, changes in routing and/or the number of stops in the itinerary. Xtraordinary Destinations is unable to provide compensation for schedule changes, seat assignment modifications, or

cancellations implemented by an airline. In the event of any change in flight itinerary made directly between passengers and their airline, it is the passenger's responsibility to advise Xtraordinary Destinations of amended flight details in writing at info@xtraordinarydestinations.com. Xtraordinary Destinations cannot be held responsible for land services, including arrival and/or departure transfers, if flights are changed without its knowledge.

Airline Baggage:

Checked bags are typically limited to a total dimension of 62 inches by adding length + width + height (example: 26"+26"+10" = 62"), and a maximum weight of 50 lbs. (23kg). Smart Bags with a USB charging port, GPS tracking device and other high-tech features are prohibited as checked or carry-on baggage unless the bag is made with removable batteries and the batteries are removed and stored separately. Many airlines apply charges for checked bags including flights which begin and end within the USA. Xtraordinary Destinations avoids the most inexpensive airfare options commonly known as Basic Economy airfares which typically do not include any checked bags nor seat assignments before the day of departure. However, for some airlines, other airfare categories also do not include checked baggage. This will be clearly displayed in our airfare selection and on your invoice. Where available, we highly recommend selecting airfares which include at least 1 piece of checked baggage. Xtraordinary Destinations, LLC is not responsible for checked bag fees, excess luggage or weight charges levied by an airline. Checked baggage allowances displayed on reservation details and invoices reflect the applicable allowance at the time of booking but are subject to change by your airline(s). If your luggage is lost or damaged by the airlines, a baggage claim form **MUST** be filed with the carrier before leaving the airport.

Hotel Accommodations:

All rooms are standard twin-bedded (two single beds) rooms with private facilities, unless you have specifically requested and paid for an upgraded room category or unless an upgraded room category is indicated in your program. Room selection in all cases, unless otherwise reserved, is strictly at the discretion of the hotel's management on a run-of-house basis. Special requests such as bed types, smoking preference and connecting rooms are subject to availability. Triple rooms consist of standard twin beds or one double bed plus a sofa/folding bed or cot for third person except in the U.S. and Canada, where triple rooms often consist of two double/queen beds for three persons; a fee may be charged by the hotel for the addition of a cot/rollaway. Some single rooms are smaller than a standard room size. The number of persons accommodated does not dictate the room size. Although available at most four-and-five star hotels, use of air-conditioning abroad differs greatly from the United States. Many European and Canadian hotels

were built before central air-conditioning was introduced. Air-conditioning is often shut down at night and from the end until the start of the summer months. Hotel room internet service is included but the service standard cannot be guaranteed. Xtraordinary Destinations, LLC or the transfer company will not be responsible for flight delays, for any reason, beyond one hour from your originally scheduled arrival time. In case of a delay, whether due to flight delay, immigration and customs, or time spent reporting baggage damage or loss, it will be your responsibility to make other transfer arrangements such as a taxi. Some itineraries may have early morning start times for sightseeing in order to complete the touring during daylight hours or avoid afternoon heat in tropical and desert climates.

It is your responsibility to arrive on time for all scheduled flights, cruises, and package components. Arriving late may be considered a "no-show", in which case you will not be eligible for refund for the unused service(s). We cannot guarantee the number of passengers who will be on any given tour. You may find that you are traveling with a sizeable group or only with your own companions. Services, however, will remain constant no matter the number of tour participants.
